W. H. D.

It is believed that many of the clergy who see in a consecutive setting forth of our Lord's Life & Teaching the remedy for much of the lax ^{living} Christianity & lukewarm faith of the day, may welcome a work which offers familiar truths in a new presentation, so "expanded & developed" as to give fresh delight, awaken new convictions, & be a further aid to faith. Much ground might be covered in weekly readings with further exposition.

The work should be useful, too, for Confirmation Classes, Adult Sunday Classes, - for colleges & schools; but - especially is it designed for private devotional reading.
